Re: Charity Support Partnership between 123Property (LTD) and the Little Fighters Cancer Trust.

The Little Fighters Cancer Trust, a registered Childhood Cancer Charity in South Africa, offers this Letter of Confirmation of the Support Partnership between our Organization and 123Property (LTD), Registration Number 203172134, with offices in Varna, Bulgaria.

The aforementioned Support Partnership entails Financial Donations made to our Organization by 123Property (LTD); as well as encouraging members of the public and corporate donors to do the same, by utilising the numerous platforms available to 123Property.

This Support Partnership will enable the Little Fighters Cancer Trust to make even more of a difference in the lives of Children Fighting Cancer in South Africa. As our Organization has a no-turn-away policy, and do not receive any Government Funding at all, the only restriction on what we can do and how often we can Support our beneficiaries, we are constantly in need of funding, donations and sponsorship.

We undertake to make all our Organizational Documentation available to prospective Donors, as we promote transparency and would love long-lasting relationships, based in mutual trust and respect, with Donors.

Please feel free to contact me directly, should you have any queries.

With much appreciation to 123Property (LTD) for the tremendous possibilities this Partnership holds,
